SZ-55-M

5 years Manufacturer Warranty
Warranty on Electrical Performance：10 years 90% + 25 years 80% of power output

Original cell sorting system ensures the best of cells' electric match
EL-Testing before packing
Comprehensive module power testing, 100% positive output tolerance guaranteed

High module conversion efficiency
High-quality cells and partial-cell design lower series resistance and reduce power degradation
Optimized performance under low light conditions and with the integrated bypass-diodes, the panel can still work when partially shaded
IP67 rated junction box, reliable cables and standard MC4 connectors improves the stability

Mechanical Data

Standard Test Conditions AM=1.5, E=1000W/m2, TC=25℃

Nominal Power	55W
Cell Type	
Cell Efficiency	
Maximum Power Current (Impp)	
Maximum Power Voltage (Vmpp)	
Open-circuit Voltage (Voc)	
Short-circuit Current (Isc)	
Maximum System Voltage	
Output Tolerance	
Cable	
Connector Type	
Module Structure	
Junction box rating	
Diode	
Working Temperature	

Packaging

Module Dimensions	790*395*30mm
Module Weight	2.85kg
Package	Single Package
Pieces per Pallet	Free
Gross Weight per Pallet	Free
Pallet Dimensions	Free
